

ADVENT

*Building stronger, sustainable relationships through innovation and collaboration*

Advent Capital Services, Inc. is a premier provider of commercial, public, nonprofit, and vendor finance solutions. With more than 20 years of experience in developing flexible financing arrangements, the financial specialists at ACS have the requisite knowledge to help our customers acquire the assets needed to support their goals.

ACS helps organizations achieve financial flexibility. We work with customers to manage cash-flow and employ prudent financial diversification strategies.

### Benefits

Lease financing plays a vital role in the equipment acquisition strategies of many organizations and accounts for nearly one-third of all externally financed equipment annually in the United States.

- Preserve Bank Credit Lines
- Improve Cash-Flow Management
- Realize Applicable Tax Advantages
- Spread the Cost of an Asset Over Its Useful Life
- Eliminate Rate Fluctuation Risks with Fixed Payments

### The ACS Advantage

We focus on specific industries in order to enhance our ability to deliver best-in-class financial services. ACS maintains a clear understanding of the business capabilities and needs of our key stakeholders. We work closely with our customers to provide sensible, competitive solutions. Our market focus includes: Health Services, Public Finance, Non-Profits, and Technology.

### Advent Offers

- Equipment, Software, and Furniture Financing
- Experienced, Industry Specific Financial Analysis
- Master Lease Lines and Project Financing Solutions
- Solid and Clear Presentations Supporting Your ROI
